**PUBLIC NOTICE – Monitoring and Reporting Violation  
Operational Evaluation Level Monitoring and Reporting**

The MANVILLE WSC water system PWS ID TX2270033 has violated the monitoring and reporting requirement set by Texas Commission on Environmental Quality (TCEQ) in Chapter 30, Section §290, Subchapter F. Public water systems in exceedance of an operational evaluation level are required to conduct an evaluation of their source water, treatment and distribution operations and submit a report of their findings to the TCEQ.

We failed to submit an operational evaluation report to the TCEQ by 4/16/2026.

***We are taking the following actions to address this issue:*** The report was submitted to the TCEQ on 4/17/2026.

Please share this information with all people who drink this water, especially those who may not have received this notice directly (i.e., people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

***The Staff at Manville Water Supply is dedicated to providing safe, reliable, high-quality water, to meet or exceed the needs of all of our members.***

If you have any questions regarding this matter, you may contact Erik Prinz, General Manager, at 512-856-2488 ext. 1100.
